STRAP BARRIER™

Retractable Dock Door Strap

Keep Your Dock Workers Safe

- Designed for docks 48" or lower in height that leave dock doors open
- Designed to withstand 200lb pull force. Does not equate to fall protection.
- Highly visible, yellow warning barrier.
- Strap is retractable to keep clear of door opening when not in use

Can be incorporated with DL Manufacturing's Dock Communication Systems, or used as a stand alone unit

The Smart Choice
for facilities that
keep their loading
dock areas open

Optional proximity sensor detects that the strap is engaged when used with Safety Signal™ or Smart Chock™
